

DSAA 5024 Data Exploration and Visualization

Assignment 0

- Posting date: 6 Sept. 2022
- Due date: 11:59 PM (Beijing time) on Monday, 12 Sept. 2022.

Questionnaire: tell me about you

1. Why are you taking this course?
2. What do you think you'll learn in this course?
3. What programming languages are you comfortable with?
4. Have you ever created a data visualization? What was it?
5. What's the largest dataset you've had to deal with? What tools did you use?
6. What's the best visualization you've seen? Why do you like it?
7. What's the worst visualization you've ever seen? Why do you not like it?

TURNIN instructions:

Submit a report called *A0_student ID_name.pdf*, formatted roughly like below.

Assignment 0

YOUR_NAME & Student ID

1. I want to take this course because I want to learn about data visualization; or the course is simple - I want to increase my GPA; or I hear it will land me a great job.
2. no idea.
3. Java, Javascript, C#, etc.
4. ...
5. ...

I will deduct 20 points for each missing question.
